nicholascommey01@gmail.com | www.linkedin.com/in/nicholas-commey | +233 508727983

Aspiring Front-End Developer

With creativity, I have demonstrated the ability to program the structure and style of visually appealing web pages which pass contrast tests and other validations in HTML and CSS. I am seeking for this internship to apply these skills and learn more as I continue with my education.

Skills

- Interpersonal Skills
- Microsoft Office Suite (Word and Excel)
- Verbal and Written Communication
- Compliance with standards and policies
- Attention to detail
- Goal-Oriented
- Creative Problem solving
- Teaching

Experience
